REGISTRATION

To register for this program children have to be Members. Forms can be downloaded from our website, www.HaleReservation.org. Members will pay \$180.00 for the two week program. If space permits, the program will open for non-Member registrants beginning on June 1. The cost for non-Members will be \$350.00 per session. August Members may only register for Session 4.

HIGH SCHOOL VOLUNTEER PROGRAM (members only)

Three high school volunteers will be selected each session to work directly with the Teen and Tween Program. They will shadow the Teen Supervisor and help design, develop and implement the program. They will get to know the teens/tweens and experience what it takes to lead a group. Interested high school children must complete the High School Volunteer Application Form.

An additional three volunteers will be selected to help at Arts and Crafts and assist our 'Game Boy.' Volunteering does not guarantee a job at the beach, but it definitely helps.

Cori's and Sori's are conducted on all staff and volunteers.

The Tween/Teen/High School Program complies with the regulations of the Massachusetts Department of Public Health and is licensed by the Westwood Board of Health.
